Notice Regarding Registration for the Yokohama City Junior High School Meal Portal

Thank you for your continued cooperation with Yokohama City's educational administration.

Starting in the 2026 school year, Yokohama City will implement universal school lunches for all junior high school students. To utilize the school lunch program, advance registration is required on the “Yokohama City Junior High School Lunch Portal.” This portal allows you to register rice portion sizes, allergy information for school lunches, and confirm monthly lunch fees.

We kindly ask all parents to download the app using the QR code below and register for the Lunch Portal.

【Registration Method】

Please refer to the “Registration Method” section on the back or the registration instructions on the dedicated support site.

【IDs for using school lunch】

Each student has a unique ID. Please note that you cannot share it with other students.

● User ID

※The user ID is 13 digits long. It does not contain the numbers 0, 1, 8, 9, or lowercase letters.

● Payment ID for school lunch fee

※The school lunch fee ID is 10 digits long. Only numbers are used.
